VORWORT

Die Manuskripte stammen aus der Region um Lijiang (auch als Lichiang) in Yunnan im Südwesten Chinas, wo die Nationalität der Nachi heimisch ist (Aussprache des ch wie das deutsche ch in ich; Schreibung auch als Naxi, Nakhi, Nahsi, Nashi usw.). Die Manuskripte sind dort von J. F. Rock als seine Privatsammlung zusammengetragen worden, die später nach Italien ging, von wo sie von der Berliner Staatsbibliothek Preussischer Kulturbesitz erworben wurde. Diese Sammlung wurde beschrieben in dem Katalogwerk: K. L. Janert, *Nachihandschriften*, Teil 3–5, 1975–80 (Verzeichnis der orientalischen Handschriften in Deutschland, Band 7,3–5).

Der vorliegende Teil 4 der *Nachitextedition* (Supplementband 26,4) folgt nach Inhalt und Aufbau genau dem genannten Katalogwerk (3: Hs.or.sim.; 4: Hs.Or. und K.Or.; 5: Restliches), dessen Handschriftenreihenfolge, Inhaltsverzeichnis, Register und Vorwörter deshalb auch hier gelten: Katalogwerk und *Nachitextedition* bilden also eine Einheit und gehören untrennbar zusammen, wobei in diesem Teil 4 der *Nachitextedition* folgende Manuskriptpartien des Katalogwerks herausgegeben werden:

VI, 30, An bis VI, 00034, i

Parallel zu dieser in Fortsetzungen herauskommenden Edition der, wie gesagt, schon katalogisierten Manuskripttexte des Berliner Bestandes in Klassischem Nachi (der Grundlage für die in Entstehung begriffene Nachilogie) sollen nun in unserem zweiten Fortsetzungswerk, dem „Handbook of Naxi“, die anderen teilweise in deutsch-chinesischer Kooperation entstandenen Arbeiten erscheinen, zunächst: Yang Fuquan *Stories in Modern Naxi*, edited by K. L. Janert (in Umschrift, bereits publiziert als Part 1. 1988) und: *A First Collection of Epic Texts in Classical Naxi in Transcription*; diese beiden umfangreichen in der Standardumschrift ausgefertigten Textbücher werden begleitet von den ebenfalls in den vergangenen Jahren zur Publikation vorbereiteten Arbeitsübersetzungen, den praktischen Schriftlehren, vollständigen Wörterverzeichnissen, Grammatik- und Poetikstudien (es handelt sich ja bei den piktographischen Niederschriften in Klassischem Nachi bekanntlich weitgehend um sehr alte hochpoetische epische Texte archaischer Prägung). Der Fortgang der vorliegenden auf dem Katalogwerk beruhenden *Nachitextedition* („ohne Texte keine Philologie“) verläuft also Hand in Hand und Zug um Zug mit dem Fortgang unseres „Handbook of Naxi“. Unsere bisherigen Tätigkeiten wurden kürzlich bedacht von Siegfried Behrsing (*Orientalische Literaturzeitung* 82. 1987) und von Gyula Décsy (*Ural-Altäische Jahrbücher-Ural-Altaiic Yearbooks* 60. 1988).

Wir danken allen den Damen und Herren, die unsere von der Deutschen Forschungsgemeinschaft (DFG) getragene und sich über viele Jahre erstreckende entsagungsvolle Arbeit, die verantwortungsbewußte wissenschaftliche Ausarbeitung der allerersten systematisch angelegten *Nachitextedition* überhaupt ermöglichten (unverzichtbare Voraussetzung für das Entstehen dieser neuen Philologie) oder uns tatkräftig halfen.

D-6589 Hattgenstein 54, den 4. 10. 1988

Ilse Pliester-Janert
Klaus Ludwig Janert
