Einleitung

Der vorliegende Band VOHD II, 13 enthält die Katalognummern 4646-4897 und setzt damit die Zählung der vorausgehenden Bände VOHD II, 1-12 fort. VOHD II, 13 umfasst indische Handschriften, die der Sammlung Ms.or.fol. der Staatsbibliothek zu Berlin - Preussischer Kulturbesitz (SBB-PK) angehören. Diese Sammlung ist die umfangreichste unter den in der Reihe VOHD bearbeiteten und enthält neben indischen auch andere orientalische Handschriften. Der überwiegende Teil der in VOHD II, 13 katalogisierten indischen Handschriften dieser Sammlung hat Sanskrit als Sprache. Für die Bearbeitung der Tamil-Handschriften steht seit 1996 meine Kollegin Frau PD Dr. U. Niklas zur Verfügung, die den Band VOHD II, 14 vorbereitet. Bei der Aufteilung in die Bereiche Sanskrit und Tamil lassen sich jedoch gewisse Überschneidungen nicht vermeiden, da beispielsweise Sammelhandschriften beide Sprachen sowie Maṇipravāla als Mischform verwenden. Die Katalogisierung dieser Stücke erfolgt in gegenseitiger Abstimmung und Zusammenarbeit. Darüber hinaus finden sich in der Sammlung Ms.or.fol. noch einige wenige Handschriften in Oriya-, Telugu- und Malayalam-Schrift und -Sprache, die von Spezialisten der jeweiligen Landessprache zu katalogisieren sind. Schliesslich entziehen sich die beiden Handschriften Ms.or.fol. 4043 und 4044 einer Katalogisierung, da sie nur unbeschriebene Palmblätter enthalten.

Die Palmblatthandschriften aus dem Nachlass von F.O. Schrader bilden das grösste Kontingent der in VOHD II, 13 katalogisierten Stücke und umfassen die Nummern 4659-4861. Der andere Teil dieses Nachlasses befindet sich in der Sammlung Cod.Ms.Sanscr.Schr. der Niedersächsischen Staats- und Universitätsbibliothek Göttingen und ist in VOHD II, 12 Nr. 4382-4546 beschrieben. Weitere Palmblatthandschriften sind VOHD II, 13 Nr. 4862-4866 aus dem Nachlass von E. Hultzsch. Nr. 4863 und 4865 wurden von Hultzsch für seine Edition des Baudhāyanadharmasūtra herangezogen.

Unter den Papierhandschriften sind diejenigen bemerkenswert, die keinen Eingang in Schubrings Katalog über die Jaina-Handschriften der damaligen Preussischen Staatsbibliothek zu Berlin gefunden haben. Da es sich bei ihnen wie etwa bei der Tilakamañjarī des Dhanapāla Nr. 4650 oder beim Bhuvanadīpaka des Padmaprabhasūri mit Gujarati-Kommentar Nr. 4649 und 4656 um Werke nichtreligiösen Inhalts handelt, wurden sie von Schubring bewusst aus seinem Katalog ausgeklammert. Die restlichen Papierhandschriften erstrecken sich im wesentlichen auf den Bereich der epischen Literatur und der Purāṇas, wobei die in Bengali-Schrift überlieferten Nummern 4872-4897 den Schluss der Sammlung Ms.or.fol. darstellen.

In VOHD II, 13 gelten dieselben, gegenüber VOHD II, 1-9 veränderten Katalogisierungsprinzipien, die bereits in der Einleitung zu VOHD II, 12 ausführlich erläutert wurden. Das Ziel der Erfassung kompletter Sammlungen wird auch in Zukunft beibehalten. Am 23.1.1998 hat die Philosophisch-Historische Klasse der Akademie der Wissenschaften in Göttingen Arbeitsrichtlinien für das Vorhaben KOHD bis zu seinem voraussichtlichen Ende im Jahre 2015 beschlossen, die eine insgesamt raschere Bearbeitung der Handschriften vorsehen. Das bedeutet für das Teilprojekt VOHD II - Indische Handschriften, dass die Handschriftenbeschreibungen weiter gestrafft werden müssen. Im Bereich Sanskrit- und Prakrit-Handschriften steht als nächstes der Nachlass von Klaus-Ludwig Janert zur Bearbeitung an, der etwa 1900 kaschmirische Manuskripte in Śāradā-Schrift und

etwa 500 Palmbblatt-Handschriften in den verschiedenen südindischen Alphabeten umfasst. Die Sammlung Janert soll auf vier VOHD-Bände verteilt werden, die im Abstand von jeweils vier Jahren erscheinen, so dass von 1999 an gerechnet mit einem Abschluss im Jahre 2015 zu rechnen ist.

Folgenden Institutionen und Personen gebührt der Dank für die grosse Hilfe bei der Fertigstellung des Katalogbands VOHD II, 13:

Der Akademie der Wissenschaften in Göttingen, Frau PD Dr. Ulrike Niklas, Herrn Dr. Hartmut-Ortwin Feistel sowie dem Franz Steiner Verlag für die vorzügliche Drucklegung.

Berlin, Februar 1999

Gerhard Ehlers
