## VORWORT

Die Manuskripte stammen aus der Lichiang-Region von Yünnan im Südwesten Chinas, wo die Nachiminorität heimisch ist. Sie wurden dort von J. F. Rock als seine Privatsammlung zusammengetragen, später seitens der Westberliner „Staatsbibliothek Preussischer Kulturbesitz“ durch W. Voigt von G. Tucci oder J. F. Rock erworben und beschrieben in dem Katalogwerk: K. L. Janert, *Nachihandschriften*, Teil 3–5, 1975–80 (Verzeichnis der orientalischen Handschriften in Deutschland, Band 7.3–5).

Der vorliegende Teil 2 der *Nachitextedition* (Verz. der or. Handschr. in Dtschld., Supplementband 26.2) folgt nach Inhalt und Aufbau genau dem genannten Katalogwerk (3: Hs.or.sim.; 4: Hs.Or. und K.Or.; 5: Restliches), dessen Handschriftenreihenfolge, Inhaltsverzeichnis, Register und Vorwörter deshalb auch hier gelten: *Nachitextedition* und Katalog bilden also eine Einheit und gehören untrennbar zusammen, wobei in diesem Nachitexteditionsteil 2 folgende Manuskriptpartien des Katalogwerks herausgegeben werden:

Katalog der Nachihandschriften, Teil 3, Seite 518–527

Katalog der Nachihandschriften, Teil 4, Seite 845–857.

Wir danken allen den Damen und Herren, die unsere von der Deutschen Forschungsgemeinschaft getragene und sich über viele Jahre erstreckende entsagungsvolle Arbeit, die verantwortungsbewusste wissenschaftliche Ausarbeitung der allerersten systematisch angelegten Nachitextedition überhaupt ermöglichten (unverzichtbare Voraussetzung für das Entstehen dieser neuen Philologie) oder uns tatkräftig halfen.
