VORWORT

Die Manuskripte stammen aus der Region um Lijiang (auch als Lichiang) in Yunnan im Südwesten Chinas, wo die Nationalität der Nachi heimisch ist (Aussprache des ch wie das deutsche ch in ich; Schreibung auch als Naxi, Nakhi, Nahsi, Nashi usw.). Die Manuskripte sind dort von J. F. Rock als seine Privatsammlung zusammengetragen worden, die später nach Italien ging, von wo sie von der Staatsbibliothek Preussischer Kulturbesitz erworben wurde. Diese Sammlung wurde beschrieben in dem Katalogwerk: K. L. Janert, Nachihandschriften, Teil 3–5, 1975–80 (Verzeichnis der orientalischen Handschriften in Deutschland, Band VII,3–5).

Der vorliegende Teil 3 der *Nachitextedition* (VOHD, Supplementband 26,3) folgt nach Inhalt und Aufbau genau dem genannten Katalogwerk (3: Hs.or.sim.; 4: Hs.Or. und K.Or.; 5: Restliches), dessen Handschriftenreihenfolge, Inhaltsverzeichnis, Register und Vorwörter deshalb auch hier gelten: Katalogwerk und *Nachitextedition* bilden also eine Einheit und gehören untrennbar zusammen, wobei in diesem Teil 3 der *Nachitextedition* folgende Manuskriptpartien des Katalogwerks herausgegeben werden:

VI, 30, a, 4 und VI, 30, n bis VI, 30, Am

Wir danken allen den Damen und Herren, die unsere von der Deutschen Forschungsgemeinschaft (DFG) getragene und sich über viele Jahre erstreckende entsagungsvolle Arbeit, die verantwortungsbewußte wissenschaftliche Ausarbeitung der allerersten systematisch angelegten *Nachitextedition* überhaupt ermöglichten (unverzichtbare Voraussetzung für das Entstehen dieser neuen Philologie) oder uns tatkräftig halfen.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for the proper management of the organization's finances and for ensuring compliance with applicable laws and regulations.

2. The second part of the document provides a detailed overview of the current financial status of the organization. This includes a summary of the budget for the current year, a comparison of actual performance against the budget, and an analysis of the factors contributing to any variances.

3. The third part of the document outlines the proposed budget for the next fiscal year. This includes a breakdown of the various departments and their respective budgets, as well as a discussion of the key assumptions and risks associated with the budget.

4. The fourth part of the document discusses the organization's financial strategy and its long-term goals. This includes a discussion of the organization's debt structure, its capital structure, and its plans for future growth and expansion.

5. The fifth part of the document provides a summary of the key findings and recommendations of the financial review. It highlights the areas where the organization is performing well and identifies the areas where improvement is needed. It also provides a list of specific actions that should be taken to address these areas.

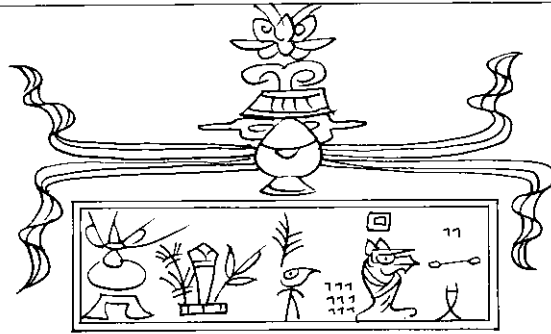

6. The sixth part of the document provides a detailed analysis of the organization's financial performance over the past three years. This includes a comparison of the organization's performance against its peers in the industry and against the market as a whole. It also includes a discussion of the factors that have contributed to the organization's performance over this period.

7. The seventh part of the document discusses the organization's financial risk management strategy. This includes a discussion of the organization's exposure to various risks, such as interest rate risk, currency risk, and credit risk, and the measures that are in place to manage these risks.

8. The eighth part of the document provides a summary of the organization's financial performance over the past five years. This includes a comparison of the organization's performance against its peers in the industry and against the market as a whole. It also includes a discussion of the factors that have contributed to the organization's performance over this period.

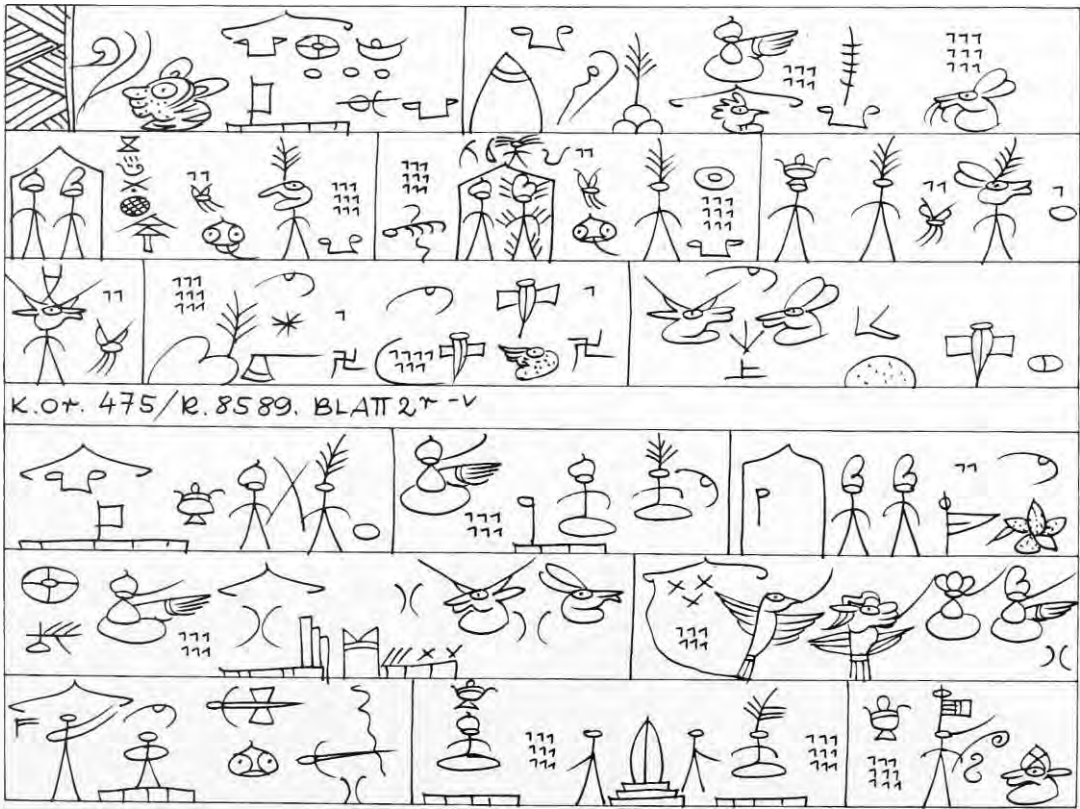

9. The ninth part of the document discusses the organization's financial performance over the past ten years. This includes a comparison of the organization's performance against its peers in the industry and against the market as a whole. It also includes a discussion of the factors that have contributed to the organization's performance over this period.

10. The tenth part of the document provides a summary of the organization's financial performance over the past twenty years. This includes a comparison of the organization's performance against its peers in the industry and against the market as a whole. It also includes a discussion of the factors that have contributed to the organization's performance over this period.
